Location

Charming Fishing Village l'Escala - A Paradise on the Costa Brava

The picturesque fishing village of l'Escala is located in the southern part of the Gulf of Roses, about 40 km from Girona and around 120 km from Barcelona. Surrounded by enchanting landscapes, including pine-covered hills, hidden coves, and long sandy beaches, l'Escala offers a unique vacation experience.

l'Escala is renowned for its three wonderful sandy beaches: the idyllic beach in the Bay of Montgo, the lively town beach of Riells, and the extensive sandy beach stretching for kilometers from l'Escala to Sant Pere Pescador. These beaches are particularly family-friendly and provide ideal conditions for a relaxing day by the sea.

The charming old town of l'Escala captivates with its historic charm, while the modern center of Riells features an attractive shopping street along the promenade. Here, you'll find a wide range of daily necessities, including bakeries, butcheries, and pharmacies.

History enthusiasts will find the approximately 2 km distant Greek-Roman ruins of the ancient city of Empúries fascinating. These excavations, which began around 1900 and are still ongoing, offer intriguing insights into the region's history. To the south of l'Escala, the scenic Cala Montgo and the impressive Montgo Mountain extend. From here, you can enjoy breathtaking panoramic views of the Bay of Roses and the nearby Pyrenees. L'Escala harmoniously combines natural beauty, cultural experiences, and modern amenities, making it the perfect destination for an unforgettable vacation on the Costa Brava, where romance and relaxation are offered at the highest level..
