Location

L'Estartit - A Holiday Paradise on the Costa Brava

L'Estartit is a picturesque holiday resort and former fishing village on the Costa Brava in Spain. It is situated at the transition between a dramatic, rocky coastline and a long, fine sandy beach that stretches for a kilometer and gently extends into the mouth of the Ter River, which flows into the Mediterranean Sea to the south of the town. The nearby Medes Islands form a protected nature reserve, highly popular among divers for its unique underwater flora and fauna, unparalleled in the Mediterranean.

Visitors can enjoy a long, wide, and family-friendly beach covered in fine sand, equipped with all necessary amenities. Additionally, there are numerous small, secluded coves within walking distance that invite relaxation or exciting diving adventures.

But sun, sand, and nature are not the only attractions that L'Estartit has to offer. The town also boasts a range of traditional festivals and a wide selection of restaurants, bars, and cafés with cozy terraces where you can savor the warm summer evenings.

For those interested in sports, L'Estartit offers a variety of activities: horseback riding, golf, tennis, and more. There is something for everyone to enjoy a diverse holiday experience. Boat enthusiasts are also welcomed warmly. The marina provides a safe haven for all captains, and the charming coves, navigable caves, and rugged coastline of the Costa Brava make every boating trip an unforgettable experience.

L'Estartit combines natural beauty, relaxing beach atmosphere, and a wide range of leisure activities - making it the perfect destination for an unforgettable vacation..
